Clumber Court Care Centre

Coronavirus (COVID-19) Information

We are welcoming new residents to our care homes... Moving into a care home can be an emotional and difficult decision, whether for yourself or a loved one. Care homes play a key role in supporting individuals who require the peace of mind, companionship and security a care environment offers. There are many reasons why you should feel confident to have your loved one looked after in a care home. *updated on Tuesday 23rd June 2020*

View [latest information](#) for Clumber Court Care Centre

Clumber Court Care Centre is a sixty-four bedroom care accommodation registered to provide personalised care packages for people with dementia.

Staff are skilled in looking after the needs and lifestyle of people who might display challenging behaviours or be prone to stress, through methods that are both friendly and efficient.

The centre is located in a pleasant residential area of Retford, where residents can enjoy secluded gardens with raised flower beds and summer barbecues.

Accommodation for persons who require nursing or personal care, Dementia,
